Stock Equity Retirement

Dear Equity Member:

Leaf River Ag Service requests that patrons complete an Application for Equity Retirement Age Certification to be considered for equity payouts. We take applications until October 1st of the current year and at the October Board Meeting the Board of Directors determines if there will be a payout for the year. We are currently paying out equity to members that are 70 years of age or older. If you don't qualify for the current payout cutoff, we will keep your application on file for future payouts.

If you have questions please call 218-631-1020.
